## Art. 7

### Selection procedure and Ranking

The Committee will make its selection by evaluating the qualifications and an interview. The Committee has a total of 100 points, composed by 30 points for the assessment of qualifications and 70 points for the interview.

Candidates who have reported, in the examination of qualifications, a **minimum score of not less than 21/30** are admitted to the interview. The interview will be considered passed if the candidate has received a **minimum score of not less than 50/70** and a judgement at least sufficient of the English language.

The Commission will declare the preliminary criteria and parameters which it will adopt, with specific reference to the characteristics of the research project. These criteria and parameters include the requirements for the type of grant of the selection such as assessment of the degree, of Ph.D., of the diplomas and certificates of attendance of post-graduate qualifications, obtained in Italy and abroad, and of the research activities in public or private institutions, under contracts, grants or assignments of collaboration, both in Italy and abroad, in the manner stated in Article. 4.

The notice of call for the interview will be sent to candidates, by certified e-mail, at least twenty days prior to the day in which the interview itself must be held. In the same convocation an indication of the score reported in the evaluation of the qualifications will be provided. The commission will be able to carry out the interview remotely using audio/video computer media according to operational methods that will be communicated by the Institute/Structure of the CNR, and, however, suitable for ensuring publicity. At the end of the session relating to the interview, the commission forms the list of candidates examined with an indication of the score reported by each in the interview itself; a list which, signed by the President and the Secretary of the commission, is posted on the same day on the notice board of the exam venue. To be admitted to the interview, candidates must present a valid personal identity document. Candidates who do not show up for the interview on the fixed day will be declared absent from the selection. At the end of the work, the commission draws up a report in which reasoned judgments are expressed, also in summary form, on each candidate. The commission forms the merit ranking according to the descending order of the final score obtained by each one based on the sum of the scores achieved in the evaluation of qualifications and the interview and indicates the winner/s. With the same score, the younger candidate is preferred. The merit ranking will be approved by a provision of the Director of the Institute, and will be published, by the Director himself, by posting on the notice board of the examination center, on the CNR website: [www.urp.cnr.it](http://www.urp.cnr.it), and with the other forms of advertising envisaged for this selection notice. All participants in the selection will be informed of the outcome of the selection by means of a communication sent with PEC. The inclusion of "idonei" candidates in the ranking is not allowed. However, the Director of the Institute, after consulting the research manager, can replace one or more winners, who renounce the grant before

using it, according to the order of the merit ranking. The National Research Council does not provide for the reimbursement of any expenses incurred by candidates for participation in the interview.

#### **Art. 8**

##### **Formalization of the relationship and termination of the contract**

Within 15 days after publication of the list, the Director of the Institute should submit to the winner/s of the selection, in two copies, the order of assignment of the research grant, in which, among other things, the starting date of the research will be mentioned. By the deadline of 15 days from the date of receipt of said notice, the winner/s of the selection must mandatorily return a copy of the said notice, countersigned for acceptance and a declaration that she/he/they is/are not under any of the impediments of Art. 3, paragraphs 3,4,5 and art. 4 c. 2.3 of the Specifications. - c) Photocopy of fiscal code card (codice fiscale);
- d) In case the winner is an employee of Public Administration, before beginning the research activity she/he must submit a copy of the order of placement on leave without payment.

Documents issued by the competent authorities of the State of which the foreign candidate is a citizen must comply with the provisions in force in that State.

All self-certification forms are deemed made in good time, even if sent by registered mail with return receipt, within the period mentioned. To this end, the stamp and date of the post office will be considered as reference.

The fellow who, after starting the planned activity, will interrupt it without justification, or will not carry it on regularly and continuously for the entire term, or is responsible for serious or repeated misconduct or, finally, proves not to have sufficient attitude, may be revoked, with motivated decision of the Director of the Institute, from the further reception of the payment of the grant.
