ANNOUNCES

Art. 1 Research Project

There will be a public selection procedure, based on qualifications and an interview, for the assignment of n. 1 (one) "Graduate Fellowship (Assegno professionalizzante)" for conducting research related to the Scientific Area “Scienze Informatiche e Ingegneria dell’Informazione” (Computer Science and Computer Engineering), at the Institute for Applied Mathematics and Information Technologies of the CNR “Enrico Magenes”, branch of Genova, conducting research activities in the frame of the Research Programme “**incrASTible!**” for the following topic: “Study and design of digital archives for the documentation of the conservative history of cultural heritage “, under the scientific supervision of Dr. Chiara Eva Catalano.

Art. 2 Duration and amount of the Fellowship

The fellowship will run for **one year** and, following any renewal, it may still have an overall duration of no more than six years, pursuant to the combined provisions of art. 22 paragraph 3 of Law 240/2010 and art. 6, paragraph 2 bis, of Law 27 February 2015 n. 11, converting Legislative Decree December 31, 2014 n. 192, excluding the period in which the grant was received in connection with a PhD, within the maximum limit of the course duration.

The total duration of relationships with the grant recipient and of the fixed-term relationships according to Law 240/2010, art. 24, also with different Universities, public, private or online, as well as with organizations referred to in Art. 22, par. 1 of Law 240/2010, must not be above 12 years, even if not continuous, except for the time spent on maternity leave or for reasons of health according to current legislation, and for the periods prior to the entry into force of Law 240/2010.

Any postponement of the start date of the research activity of the grant for research activities, or any disruption thereof, will be allowed in case of maternity or illness exceeding thirty days. The interruption of the activity part of the assignment of the grant for research activities that is justified under the foregoing provisions, shall entail the suspension of the payment of the amount of the grant for the period in which the interruption itself occurs, except for what is ruled by Art. 13 of the Guidelines for the assignment of grants for conducting research activities at CNR, or other specific regulations. The end date of the grant for the research activities will be extended by a period equal to the duration of the interruption.

The amount of the research grant, paid in deferred monthly installments, is set at **EUR 19.367,00** (nineteen-thousands-three-hundreds-sixty-seven,00), net of expenses in charge of CNR.

This does not include any remuneration for travels in Italy or abroad as may be necessary to carry out the research activities related to the grant. The emoluments of the travels are determined in proportion to that of employees engaged at the CNR at III professional level.

The grant recipient is covered by an insurance cumulative policy underwritten by the CNR.

The selected candidate will carry out her/his research activities in an autonomous manner, within the limits of the program prepared by the head of the research unit, without predetermined working hours.

Art. 3

Requirements for admission to the selection

To the selection may apply individuals who, whatever their nationality or age, are in possession of the following requirements at the date of expiry of the deadline for submission of applications:

- a) Degree (Laurea) in Conservation and restoration of cultural heritage, Computer Science and equivalent achieved according to the legislation in force before the DM 509/99, or Master's Degree (D.M. May 5, 2004) in Conservation and restoration of cultural heritage (LMR/02), Digital Humanities (LM43), Computer Science (LM18), and a professional curriculum suitable for carrying out research activities;
- b) All qualifications obtained abroad (Master's degree, doctorate, and any other qualification) shall be previously recognized in Italy in accordance with current legislation (information on the website of the Ministry of University and Scientific Research: www.miur.it.) The equivalence of those diplomas obtained abroad which have not already been recognized in Italy with the expected formal procedure above will be evaluated, with the only purpose of the present selection, by the Examining Committee constituted according to art. 6, paragraph 1 of the Guidelines;
- c) Prior experience in topic of art. 1 declared according to procedures of art. 4. In addition, the following will be preferred:
 - Degree: Restorer of Cultural Heritage;
 - Knowledge of methodologies and platforms for cultural heritage management;
 - Knowledge of methodologies for digital archiving;
 - A doctorate (PhD) or specialization in related disciplines and proven experience in the frame of the proposed theme;
- d) Good command of English;
- e) Good command of Italian (only for foreign applicants).

The research grant can not cumulate with scholarships provided by the CNR or other organizations and research institutions, except those granted by the CNR or national or foreign institutions which serve to supplement the research activities of grant holders with visiting periods abroad. The holders of research grants may attend PhD. courses that do not result in payment of scholarships.

Employees of the CNR with permanent or fixed term contract and permanent staff employed by other parties as indicated in art. 22, paragraph 1, of Law n. 240/2010 cannot apply, and application involves the placement on leave without pay to the contractor/employee employed by government.

According to Art. 22, paragraph 3, of the aforementioned law, the ownership of this grant is not compatible with participation in the undergraduate or master degree, PhD with scholarship or medical specialization schools, in Italy or abroad.

Art. 4

Applications and details for submission

APPLICATIONS

Applications, exclusively written on the attached form (Annex A), must be sent to Istituto di Matematica Applicata e Tecnologie Informatiche “Enrico Magenes”, only via Certified Electronic Mail (Posta Elettronica Certificata – PEC) to the address: **protocollo.imati@pec.cnr.it** by the final deadline of **January 20th, 2022**. Applications submitted after the deadline and incomplete applications will not be taken into account. Enter the following in the e-mail subject field: **Notice of Selection NO. IMATI 012 2021 GE (please do not use special characters)**

The applications sent via PEC and the certifications in accordance with the provisions of DPR 445/2000 will be considered valid only if the author is identified by the system through his own access credentials to the PEC.

Only foreign applicants may send the application and the requested declarations (see comma 5) via ordinary electronic mail to following address **concorsi.imati@ge.imati.cnr.it**; in case the application cannot be digitally undersigned, and if the foreign candidate is the winner of the selection, said candidate will validate the application by handwritten signature when taking up service.

To aforesaid applicants an e-mail acknowledging receipt of the application will be sent.

Applicants must produce a pdf document of self-certification curriculum to be completed in accordance with Art. 46 and 47 of Presidential Decree 445/2000 and subsequent amendments, and to this end they must use the attached form (annex B), which testifies the truthfulness of the contents of the Curriculum Vitae, and expressly declares, before the signature, that the applicant is aware that, according to art. 76 of the DPR 445/2000, false declarations are punished according to the Penal Code; the form must be accompanied by a photocopy of a valid identity document (art. 76 DPR445/2000). Such document, legibly signed, must be presented for identification at the interview (see Art. 7); no other documents will be accepted.

In the curriculum the applicant will indicate personal facts and qualities, in particular she/he must analytically indicate studies, qualifications, publications in print and/or patents, services provided, functions performed, the positions held and any other scientific, professional and educational activity, bringing the exact references for each qualification indicated.

The aforesaid declaration must be analytically drawn up and contain all useful elements that enable the Examining Committee to evaluate the related qualifications. All information differing from above-mentioned standards will not be evaluated. Self-certification foreseen for Italian citizens apply to EU citizens (Article 3, paragraph 1 of Presidential Decree 28 December 2000, n. 445). Non-EU citizens resident in Italy can use the affidavits only in cases where facts and qualifications are certifiable or ascertainable by public or private Italian subjects.

The Administration reserves the right to check the truthfulness of the contents of the self-certifications in accordance with Art. 71 DPR 445/2000.

Applicants with disabilities, in relation to their disability, must explicitly request the required support in the application to the selection.

The applicant's products (e.g., technical reports, monographs, book chapters, and patents) that cannot be found on the internet or those that can be found on the internet but are not open access, should be sent by the applicant by e-mail.

The applicant must not produce any further documentation in accordance with art. 15 L. 183/2011.

In accordance with Art. 15 Law 183/2011, it is forbidden to submit to public administrations and to private managers of public services certifications regarding personal states, qualities and facts that are always substituted by self-certifications and by affidavit (art. 46 and 47 DPR 445/2000).

The form (ann. C) concerning the information on the processing of personal data provided pursuant to Regulation (EU) no. 2016/679 must be attached to the application; the aforementioned form must be completed, dated and signed by the candidate with a legible handwritten signature.

All communications related to present selection will be sent to PEC-address of the applicants; for foreign citizens they will be sent to the e-mail address used to send the application. The CNR does not assume any liability for any possible network connection malfunction.

Art. 5

Exclusion from the Selection

Applicants are conditionally admitted to the selection.

The exclusion from the selection process for lack of requirements can be arranged at any time with a motivated order by the Director of the Institute. The exclusion will be communicated to the applicant.

Art. 6

Examining Committee

The Examining Committee shall be appointed by order of the Director of the Institute and is composed of three components, one of which will be the project manager, who may be internal or external to CNR, with profiles of researcher/technologist and expert in the field, and two alternate members, internal or external to the Institute; the Director, if deemed necessary to activate the procedure of equivalence of qualifications obtained abroad, as in the last sentence of paragraph 1 art. 3 of the Guidelines, may appoint, among the components of the Committee, a University professor. The functions of secretary may also be provided by a member of the Committee.

In the first meeting, the Committee will appoint its own President, and, if necessary, the component who will perform the functions of secretary.

The Committee may also carry out the procedure by electronic means.

The Committee shall conclude its work within sixty days after the deadline for submitting applications, except cases of motivated impossibility.

Art. 7

Selection procedure and Ranking

The Committee will make its selection by evaluating the qualifications and an interview. The Committee has a total of 100 points, composed by 70 points for the assessment of qualifications and 30 points for the interview.

Only applicants achieving a grade of 35/70 for the assessment of the qualifications are admitted to the interview. Only applicants achieving a grade of 21/30 pass the interview.

The Commission will declare the preliminary criteria and parameters which it will adopt, with specific reference to the characteristics of the research project. These criteria and parameters include the requirements for the type of grant of the selection such as assessment of the degree, of Ph.D., of the diplomas and certificates of attendance of post-graduate qualifications, obtained in Italy and abroad, the participation in national/European projects and of the research activities in public or private institutions, under contracts, grants or assignments of collaboration, both in Italy and abroad, in the manner stated in Article. 4.

Those who have applied to the selection according to the terms and conditions set out in Art. 3 and 4 and who have not received notice of exclusion from the selection, are required to attend the interview that will be held remotely **on February the 1st, 2022 at 11:00 AM**, unless otherwise noted or communicated by Certified Electronic Mail (for foreign applicants: by ordinary electronic mail) in advance. The publication of this Notice must be considered as a call; it is deemed definitive and no further communication will be sent to applicants. Before the interview, the grade obtained for the assessment of the qualifications will be communicated to each applicant.

The Committee will conduct a remote interview using audio/video computer media according to procedures which will be communicated in time before the date of interview, aimed to ensure its openness. The candidates will connect from their work stations and will be identified by a valid identity document shown at the beginning of the interview. Applicants who are not present at the interview will be declared non-eligible.

After the remote interview, the Commission will form the list of the examined applicants, giving the score each candidate obtained in the interview; this list, signed by the President and the Secretary of the Commission, will be communicated to the candidates on the same day through the channels used for the remote session.

At the end of its work, the Committee shall prepare a report in which motivated judgments on each applicant are expressed, even in a synthetic form.

The committee forms the merit ranking in descending order with respect to the final score, according to the sum of the scores achieved in the evaluation of qualifications and the interview and indicates the winner/s. In case of equal ratings, the younger candidate is preferred.

The merit ranking will be approved by the Director of the Institute, and will be published by the same Director, to the notice board of the examination site, and on the CNR website: www.urp.cnr.it and with all other forms of dissemination provided for this notice of selection.

All participants will be informed on the result of the selection through a communication sent via PEC (for foreign applicants: by ordinary electronic mail).

The inclusion of eligible and suitable candidates in the ranking is not permitted. However, the Director of the Institute, after consulting the research project manager, can replace one or more winners, who renounce the grant before using it, following the order of the merit ranking.

The National Research Council will not reimburse any expenses incurred by candidates for participation in the interview.

Art. 8

Formalization of the relationship and termination of the contract

Within 15 days after publication of the list, the Director of the Institute should submit to the winner/s of the selection, in two copies, the order of conferment of the research grant, in which also the starting date of the research will be mentioned. By the deadline of 15 days from the date of receipt of said notice, he winner/s of the selection must mandatorily, under penalty of forfeiture, return a copy of the said notice, countersigned for acceptance and a declaration that she/he/they is/are not under any of the impediments of Art. 3, paragraphs 3,4,5 and art. 4 par. 2, 3 of the Guidelines. Any delay in the beginning of the research can be justified only in cases provided for by art. 2 of this notice of selection or for reasons of force majeure duly substantiated.

The contractor shall submit to the Director, via PEC (applies to Italian citizen), or via ordinary electronic mail (applies to foreign citizen), within thirty days from the date of acceptance of the grant, the following documents prepared in accordance with the provisions of Presidential Decree 445/2000:

- a) self-certification, indicating date and place of birth, citizenship, political rights, education;
- b) a declaration in lieu of affidavit, on unstamped paper, that she/he is not enrolled in any public and private employment and has not been dismissed or retired from the Public Administration for persistent poor performance, and has not been revoked by another state employment for having achieved it through the production of false or invalid documents and that she/he was not disqualified from holding public office on the basis of *res judicata*;
- c) Photocopy of fiscal code card (*codice fiscale*);
- d) In case the winner is an employee of Public Administration, before beginning the research activity she/he must submit substitute statement in self-certification of the placement on unpaid leave

Documents issued by the competent authorities of the State of which the foreign candidate is a citizen must comply with the provisions in force in that State.

The fellow who, after starting the planned activity, will interrupt it without justification, or will not carry it on regularly and continuously for the entire term, or is responsible for serious or repeated misconduct or, finally, proves not to have sufficient attitude, may be revoked, with motivated decision of the Director of the Institute, from the further reception of the payment of the grant.

The measure referred to in the preceding paragraph will be taken on the proposal of the Research Project Manager. If the grant recipient, on the grounds of personal reasons, can not carry through the planned activities and decides to give up the grant in advance, she/he shall promptly inform the Director of the Institute and the Research Project Manager. It is understood, in this case, that the grant holder must return any amounts received and not due.

Art. 9

Evaluation of the research activity

The research project manager and the grant recipient shall forward to the Director of the Institute before the expiry of the contract, a complete report showing the progress of research.

The Director will evaluate the report with reasoned judgment and at his own discretion. In case of positive evaluation, and at the request of Research Project Manager, the Director will decide on the renewal of the grant and on its possible allocation to the next higher amount of the grant typology referred to in this notice of selection. (Art. 9 par. 5 of the Guidelines).

Art. 10

Processing of personal data

The personal data provided by the candidates are processed for the purposes of managing this selection notice, including the possible use of rankings and for the subsequent eventual granting of the check, as specifically indicated in the information contained in the form in the Annex C).

The data will be processed by the National Research Council - Piazzale Aldo Moro n. 7 - 00185 Rome as Data Controller, in accordance with Regulation (EU) n. 2016/679 and Legislative Decree 196/2003. The contact point at the Data Controller is the Director of the Institute who issued the selection notice, whose contact details are: privacy.imati@imati.cnr.it - GDPR Privacy Owner - Via Ferrata 5 / A - 27100 Pavia.

The provision of data is mandatory for the purpose of assessing the requirements for participation; otherwise the applicant will be excluded from the selection.

The interested party enjoys the rights set forth in articles 15 and subsequent of Regulation (EU) 2016/679, as specified in the information contained in the form (annex C), pursuant to art. 4 of this selection notice, which may be exercised in the ways indicated in the form itself.

Article 11

Advertising

The notice of selection shall be made public by the Director of the Institute, by posting it at the website of the Institute and by publication on the website of the CNR www.urp.cnr.it, and of MIUR, that will later publish it on the website of the European Union, in addition to particular forms of advertising specifically required by the programs funders.

Article 12

Final Provisions

Where not explicitly indicated in this notice, for the compatible parts, the provisions of Guidelines currently in force, relative to research grants, and, mutatis mutandis, to public competitions, apply.
