ANNOUNCES

Art. 1
Research Project

There will be a public selection procedure, based on qualifications and an interview, for the assignment of n. 1 (one) - Type of Grant: “Grant Fellowship (Assegno di Ricerca Grant)” for conducting research related to the Scientific Area “Artificial Intelligence” at the Institute of Information Science and Technologies “A. Faedo” of CNR – Area della Ricerca CNR di Pisa, in the framework of the project “XAI - Science & technology for the eXplanation of AI decision making”, under the scientific coordination of Dr. Fosca Giannotti (further referred to as: Research Project Manager).

Research program:
The research program will consist in the study of paradigms for the generation of predictions that are human understandable with focus on: transparent by-design Machine Learning and post-hoc explanation of opaque models, aiming at enabling human-machine conversation for decision making; validation of explainable AI methods will be pursued in specific domains such as justice, health, fraud detection”.

Art. 2
Duration and amount of the Research Grant

The research grant will run for 1 (one) year and, as result of any renewals, may not, however, have a cumulative duration of more than six years, according to art. 22 paragraph 3 of Law 240/2010, and art. 6, paragraph 2 bis, of Law n. 11 issued on 27 February 2015, converting D.L. n. 192 on 31 December 2014, excluding the period in which the grant was received in connection with a PhD, not exceeding the legal length of its course.

The total duration of the relationships established with the holder of the allowance and of the subordinate fixed-term employment contracts referred to in art. 24 of Law 240/2010, including with different universities, state, non-state or telematic universities, as well as with the Bodies referred to in art. 22, paragraph 1, of Law 240/2010, cannot in any case exceed 12 years, even if not continuous, except for periods spent on maternity or health leave in accordance with current legislation as well as periods carried out before the entry into force of Law 240/2010.

Any postponement of the start date of the research activity of the grant for research activities, or any disruption thereof, will be allowed in case of maternity or illness exceeding thirty days. The interruption of the activity part of the assignment of the grant for research activities that is justified under the foregoing provisions, shall entail the suspension of the payment of the amount of the grant for the period in which the interruption itself occurs, excluding the provision of art. 13 of the disciplinary or other specific rules. The end date of the grant for the research activities will be extended by a period equal to the duration of the interruption.

The amount of the research grant, paid in deferred monthly instalments, is set at Euro 44,215.20 (or Euro forty-four thousand two hundred and fifteen/20) gross of the charges payable by the granting administration and
includes the social security contribution INPS (1/3 to be paid by the assignee as provided for by Finance Law no. 296 of 27.12.2006), as provided for by art. 2, paragraphs 26 et seq. of Law no. 335 of 8 August 1995, and subsequent amendments and additions (only for residents or tax domiciled in Italy). The amount is exempt from IRPEF tax by applying the provisions of art. 4 of Law no. 476 of 13 August 1984 and subsequent amendments and additions.

This does not include any remuneration for travels in Italy or abroad as may be necessary to carry out the research activities related to the grant. The emoluments of the travels are determined in proportion to that of employees engaged at the CNR at III professional level.

The grant recipient is covered by an insurance cumulative policy underwritten by the CNR. The selected candidate will carry out her/his research activities in an autonomous manner, within the limits of the program prepared by the head of the research unit, without predetermined working hours.

**Art. 3**

**Requirements for admission to the selection**

To the selection may apply individuals who, whatever their nationality or age, are in possession of the following requirements at the date of expiry of the deadline for submission of applications:

a) Degree awarded according to the regulations in force prior to Ministerial Decree 509/99 or Master's Degree (Ministerial Decree 270/2004);

b) PhD (or equivalent foreign qualification) in disciplines related to Artificial Intelligence, with a minimum duration of three years or three years of post-graduate research experience in subjects related to Artificial Intelligence, gained at Universities or qualified public or private, national or international Bodies and Research Centres.

The assessment of the relevance of the PhD is entrusted to the Selection Committee. For candidates who have not obtained a Doctorate, have three years of research experience and have obtained a Master's degree abroad, a declaration of equivalence of the degree is required according to the procedure provided for in art. 38 of Legislative Decree 165/2001 (information on the website of the Ministry of University and Scientific Research: www.miur.it). Candidates who are not yet in possession of the measure of equivalence or equivalence must declare in the application form that they have submitted the relevant request.

All qualifications obtained abroad (Master degree, doctorate, and any other qualification) shall be previously recognized in Italy in accordance with current legislation. The equivalence of those diplomas obtained abroad who have not already been recognized in Italy with the expected formal procedure above, will be evaluated, solely for the purpose of the present selection, by the Selection Committee constituted in accordance with art. 6, paragraph 1 of the Regulations;

c) Competences observable from the academic curriculum and/or from publications in journals and/or conferences declared with the modalities of art. 4 in themes adhering to the research area of art. 1, as for example: machine learning, deep learning, inductive relational learning, statistical learning, statistical physics of machine learning, knowledge graphs, causal reasoning and learning, counterfactual reasoning, cognitive model of learning and reasoning, knowledge representation and reasoning;

d) English proficiency;

e) Italian proficiency (only for foreign applicants).

The research grant can not cumulate with scholarships provided by the CNR or other organizations and research institutions, except those granted by the CNR or national or foreign institutions which serve to supplement the research activities of grant holders with visiting periods abroad. The holders of research grants may attend PhD courses that do not result in payment of scholarships. Employees of the CNR with permanent or fixed term contract
and permanent staff employed by other parties as indicated in art. 22, paragraph 1, of Law n. 240/2010 cannot apply, and application involves the placement on leave without pay to the contractor/employee employed by government. According to Art. 22, paragraph 3, of the aforementioned law, the ownership of this grant is not compatible with participation in the undergraduate or master degree, PhD with scholarship or medical specialization schools, in Italy or abroad.

Art. 4
Applications and deadlines

Applications, which must use the attached form (Annex A), should be sent to the Institute of Information Science and Technologies “A. Faedo” of CNR exclusively by certified mail Posta Elettronica Certificata (PEC) to the email address: protocollo.isti@pec.cnr.it by the final deadline of May 25, 2020. Where the deadline for the submission of applications falls on a public holiday, it shall be deemed to be extended to the first non-holiday immediately following.

Applications submitted after the deadline and those which are incomplete will not be considered.

Emails must have as subject: Notice of selection No ISTI 013/2020 - PI (please do not use special characters).

Applications sent electronically and certifications pursuant to DPR 445/2000, will be considered valid if the author is identified by the computer system through the access credentials relating to the personal user of Certified E-Mail.

Foreigner candidates can send the application via simple email (to the email address: sag@isti.cnr.it) and then sign it during the oral selection. To these applicants will be sent an email to confirm the receipt of the documents.

Applicants must produce the following documents attached in PDF:

a) photocopy of a valid identity document (art. 76 DPR445/2000). The same identity document, with readable signature, should be presented at the oral selection. No other documents will be accepted.

b) A form of self-certification curriculum in PDF format to be completed in accordance with Art. 46 and 47 of Presidential Decree 445/2000 and subsequent amendments, and to this end they must use the attached form (Annex B), which testifies the truthfulness of the contents of the Curriculum Vitae. In the curriculum the applicant will indicate personal facts and qualities, in particular she/he must analytically indicate studies, qualifications, publications in print and/or patents, services provided, functions performed, the positions held and any other scientific, professional and educational activity, bringing the exact references for each indicated qualification. The aforementioned declarations have to be analytically detailed and contain all elements needed for the selection, so that the examining commission could evaluated the titles to which they refer. All information furnished in a form different from what stated above will not be evaluated;

c) doctoral thesis accompanied by an abstract in English (indicative limit of 15,000 characters, including spaces); candidates who have not obtained their doctoral degree are required to submit an extended abstract in English of their research experience (indicative limit of 25,000 characters, including spaces); the extended abstract is mandatory even if the doctoral thesis is written in a language other than Italian or English;

d) copies of publications, if any, up to a maximum of five;

e) A research project related to the topic described in Article 1 of this call (indicative limit of 20 000 characters, including spaces) accompanied by an abstract in English (indicative limit of 3 000 characters, including spaces). The research project must allow the verification of the scientific interests of the
applicant and their relevance to the theme of the research project "**XAI: Science & technology for the eXplanation of AI decision making**".

Auto-certification foreseen for Italian citizens apply to EU citizens (Article 3, paragraph 1 of Presidential Decree 28 December 2000, n. 445). Non-EU citizens resident in Italy can use the affidavits only in cases where facts and qualifications are certifiable or ascertainable by public or private Italian subjects.

The administration will perform suitable checks on the truthfulness of the declarations furnished under art. 71 of DPR 445/2000.

Applicants with disabilities, in relation to their disability, in the application to the selection must explicitly request the required support.

The applicant’s products (e.g., technical reports, monographs, book chapters, and patents) that cannot be found on the internet or those that can be found on the internet but are not access free, should be sent by the applicant by e-mail.

**The applicant must not produce any further documentation in accordance with art. 15 L. 183/2011.**

Pursuant to art. 15 of Law 183/2011, it is forbidden to provide public administrations and private managers of public services with certificates concerning status, facts and personal qualities, which are therefore always replaced by declarations in lieu of certification and affidavits (art. 46 and 47 of Presidential Decree 445/2000).

The application must be accompanied by the form (Annex C), in PDF format, concerning the information on the processing of personal data provided pursuant to Regulation (EU) no. 2016/679; the aforementioned form must be completed, dated and signed by the candidate with a legible handwritten signature.

All the communication regarding this call announcement will be sent to the PEC/email address of the candidates, CNR does not assume any liability for eventual disservice of web connection.

**Art. 5**

**Exclusion from the Selection**

Applicants are conditionally admitted to the selection.

The exclusion from the selection process for lack of requirements can be arranged at any time with a motivated order by the Director of the Institute. The exclusion will be communicated to the applicant.

**Art. 6**

**Examining Committee**

The Examining Committee shall be appointed by order of the Director of the Institute and is composed of three components, one of which will be the Research Project Manager, with profiles of researchers/technologists or experts in the field, they may be internal or external to CNR, and two alternate members, internal or external to CNR; the Director, if deemed necessary to activate the procedure of equivalence of qualifications obtained abroad, as in the last sentence of paragraph 1 art. 3 of the Regulations, may appoint, among the components of the Committee, a university professor. The functions of secretary may also be provided by a member of the Committee. In the first meeting, the Committee will appoint its own President, and, if necessary, the component who will perform the functions of secretary. The Committee may carry out the procedure also with the aid of videoconference tools. The Committee shall conclude its work within sixty days after the deadline for submitting applications, except cases of motivated impossibility.
Art. 7
Selection procedure and Ranking

The Committee will make its selection by evaluating the qualifications and an interview. The Committee has a total of 100 points, composed by 70 points for the assessment of qualifications and 30 points for the interview.

The Commission will declare the preliminary criteria and parameters which it will adopt, with specific reference to the characteristics of the research project. These criteria and parameters include the requirements for the type of grant of the selection such as assessment of the degree, of Ph.D., of the diplomas and certificates of attendance of post-graduate qualifications, obtained in Italy and abroad, and of the research activities in public or private institutions, under contracts, grants or assignments of collaboration, both in Italy and abroad, in the manner stated in Article. 4.

Those who have applied to the selection according to the terms and conditions set out in Art. 4 and who have not received communication of exclusion from the selection, or other communication concerning a different procedure (e.g. videoconference), must be present at the Institute of Information Science and Technologies, “A. Faedo”, Area della Ricerca CNR di Pisa – Via G. Moruzzi n. 1, 56124 Pisa, Italy, on June 4, 2020 at 11:00, to attend an interview, unless otherwise noted or communicated by PEC, or ordinary email if foreigners, in advance.

The commission will be able to carry out the interview with remote mode using audio / video computer supports according to operating procedures that will be communicated by the Institute of the CNR.

Publication of this notice is considered final and candidates will not be notified further.

Before the interview, the individual participants will be informed, with PEC, of the score given in the evaluation of the qualifications. After the interview, the Committee will compile a list of the examined applicants, giving the score each candidate obtained in the interview; the list, signed by the President and the Secretary of the Committee, is posted on the site of the examination the same day of the interview.

To be eligible to interview applicants must present a valid identity document.

Applicants who are not present at the interview will be declared uneligible. At the end of its work, the Committee shall prepare a report in which motivated judgments on each applicant are expressed, even in a synthetic form. The committee forms the merit ranking in descending order with respect to the final score, according to the sum of the scores achieved in the evaluation of qualifications and the interview and indicates the winner. Only candidates with an overall score of not less than 60/100 will be included in the merit ranking. The committee shall indicate the winner in the person of the candidate with the highest score in the merit list. In case of equal ratings, the younger candidate is preferred.

The merit ranking will be approved by the Director of the Institute, and will be published by the same Director, to the notice board of the examination site, and on the CNR website: www.urp.cnr.it and with all other forms of advertising provided for this notice of selection.

Final results of the selection procedure may be verified by all participants on the following CNR website: www.urp.cnr.it and with all other forms of advertising envisaged for this selection notice.

All participants in the selection will be informed of the outcome of the selection by means of a communication sent with PEC. It is not permitted the inclusion of appropriate candidates in the ranking. However, the Director of the Institute, after consulting the head of the research project, can replace one or more winners, who renounce the grant before using it following the order of the merit ranking.

The National Research Council will not reimburse any expenses incurred by candidates for participation in the interview.
Art. 8
Formalization of the relationship and termination of the contract

Within 15 days after publication of the list, the Director of the Institute should submit to the winner of the selection, in two copies, the order of assignment of the research grant, in which, among other things, the starting date of the research will be mentioned. By the deadline of 15 days from the date of receipt of said notice, the winner of the selection must mandatorily return a copy of the said notice, countersigned for acceptance and a declaration that she/he is not under any of the impediments of Art. 3, paragraphs 3,4,5 and art. 4 c. 2.3 of the Specifications. Any delay in the beginning of the research can be justified only in cases provided for by art. 2 of this notice of selection or for reasons of force majeure duly substantiated.

The contractor shall submit to the Director, within thirty days from the date of acceptance of the grant, the following documents prepared in accordance with the provisions of Presidential Decree 445/2000:

a) self-certification, indicating date and place of birth, citizenship, political rights, education;
b) a declaration in lieu of affidavit, on ordinary paper, of not having been dismissed or retired from the Public Administration for persistent poor performance, and not having been revoked by another state employment for having achieved it through the production of false or invalid documents and that she/he was not disqualified from holding public office on the basis of res judicata;
c) Photocopy of fiscal code card (codice fiscale);
d) In case the winner is an employee of Public Administration, before beginning the research activity she/he must submit a copy of the order of placement on leave without pay.

Documents issued by the competent authorities of the State of which the foreign candidate is a citizen must comply with the provisions in force in that State.

The fellow who, after starting the planned activity, will interrupt it without justification, or will not carry it on regularly and continuously for the entire term, or is responsible for serious or repeated misconduct or, finally, proves not to have sufficient attitude, may be revoked, with motivated decision of the Director of the Institute, from the further reception of the payment of the grant.

The measure referred to in the preceding paragraph will be taken on the proposal of the Research Project Manager. If the grant recipient, on the grounds of personal reasons, can not carry through the planned activities and decides to give up the grant in advance, she/he shall promptly inform the Director of the Institute and the Research Project Manager. It is understood, in this case, that the grant holder must return any amounts received and not due.

Art. 9
Evaluation of the research activity

The Research Project Manager and the grant recipient shall forward to the Director of the Institute before the expiry of the contract, a complete report showing the progress of research. The Director will consider the report with reasoned judgment and at his own discretion. In case of positive evaluation, and at the request of the Research Project Manager, the Director will decide on the renewal of the grant.

Art. 10
Privacy policy

The personal data provided by the candidates are processed for the purposes of management of this selection notice, including the possible use of rankings and for the subsequent eventual assignment of the grant, as specifically indicated in the information contained in the form in the Annex C).
The data will be processed by the National Research Council - Piazzale Aldo Moro n. 7 - 00185 Rome as Data Controller, in compliance with Regulation (EU) no. 2016/679 and to Legislative Decree 196/2003. The contact point at the Owner is the Director of the Institute of Information Science and Technologies “A. Faedo” of CNR who issued the selection notice whose contact details are: – E-mail: sag@isti.cnr.it PEC: protocollo.isti@pec.cnr.it Indirizzo: Area della Ricerca CNR di Pisa, Via G. Moruzzi, 1 – 56124 Pisa. The provision of data is mandatory for the assessment of participation requirements, under penalty of exclusion from the selection. The interested party enjoys the rights referred to in articles 15 and following of Regulation (EU) 2016/679, as specified in the information contained in the form (AnnexC), as per art. 4 of this selection notice, which can be exercised in the ways indicated in the form itself.

**Art. 11**  
Advertising

The notice of selection shall be made public by the Director of the Institute, by posting at www.isti.cnr.it and by publication on the website of the CNR www.urp.cnr.it, and MIUR and later on the website of the European Union, in addition to particular forms of advertising specifically required by the funders of programs.

**Art. 12**  
Final Provisions

Where not explicitly indicated in this notice, for the compatible parts, the provisions of Regulations currently in force, relative to research grants, and, mutatis mutandis, to competitions, apply.
